Job Description

Qualification & Experience:

- Bachelor Degree with 2+ years of post-qualification experience in the relevant area.

Roles & Responsibilities:

- Responsible for writing, editing and proof reading of content such as title, descriptions, caption of articles, blogs, features, instructions and coordination/planning associated with curating, creating, scheduling, and distributing content for a website.

Required Skill Set:

- Leverage keyword research, analytics and SEO tools in order identify content gaps and advise SEO copywriters
- Review existing content on website(s) and advise on strategies to refresh or better optimise
- Monitoring competitor content strategies to ensure we are always leading from an SEO perspective
- Supply relevant information to Project Manager in order to produce content briefs
- Writing event descriptions, manuals and handbooks.
- Writing several interactive pieces for customer engaging activities.
- Writing content for meta keyword and description tags
- Writing other internal documents and customer facing communication
- Writing marketing related documentation where required
- Knowledge of compliance with the law (e.g. copyright and data protection).

Desired Skill Set:

- Independently published articles are an advantage
- Demonstrated command over multiple Languages.
- Ability to adapt writing to various formats, audiences and situations.
- A fresh, consistent and customer friendly writing style.
- Ability to respond quickly and effectively to tight deadlines
- Ability to work in a team strong dynamic team.
- An understanding of what works on the internet, keywords and meta tags with the ability to write web page titles, meta tag descriptions, alt tags for images etc.
- Awareness and curiosity about marketing trends especially digital marketing
- Knowledge of compliance with the law (e.g. copyright and data protection).
- Excellent verbal communication skills with a good command of the English/Hindi language.
- Advanced written communication skills and an ability to read copy in English.
- Experience with social media engagement strategies and best practices.
- Hands-on experience with MS Office and WordPress.
